**Subject: Invitation for participation in "2<sup>nd</sup> The Times SEE Talent Hunt-2019"**

Dear Sir/Madam,

We are very pleased to inform you that The Times ECA department is going to organize "2<sup>nd</sup> The Times SEE Talent Hunt-2019".

The Times International College/SS, established in 2000 A.D is providing quality education as well as operating CCA/ECA since its establishment. This year we are going to organize a mega event called "2<sup>nd</sup> The Times SEE Talent Hunt-2019". Our experience of more than a decade in this sector makes sure that this event will help the participants to build up their self-confidence, personality development, coordination among friends, communication skills as well as cultural consciousness.

Regarding this event, we would like to encourage every SEE appeared students from the schools across the country; to explore their talent and bring positive changes in their life. Likewise, we would also like to request to take part in the counselling session organized by The Times International College/SS in its premises. Hoping for your active participation and positive responses.

Thank you very much for your kind co-operation!

The brief description of the event is as follows:

Principal

## **TTIC ECA Department**

Under the guardianship of The Times International College/SS, we are actively involved in organizing sports, cultural and other events in and outside of the college premises. We tend to provide appropriate platform to the youths to showcase their ability and proficiency in the area of their interest. We aim to keep moving ahead with active participation and organization of leadership and developmental activities.

TTIC ECA department has been working to develop youth leadership and motivate youth to participate in sports, cultural and other events. We have been actively working to increase youth's interest in art, culture, creativity, sports and recreational activities and have also organized programs to acquaint youths about discipline, dynamism, teamwork, leadership and entrepreneurship.

## **Our Objectives**

Our major objectives includes:

- To develop youth leadership by equipping them with knowledge and skills.
- To provide appropriate platform to the students to show case their talent.
- To familiarize members with the responsibilities required to conduct and handle different kind of events.

## **Why are we doing this?**

We are doing this event:

- To establish a positive and long-term relationship in between organizations and institutions.
- To promote sports & culture.
- To provide a platform to and motivate enthusiasts.
- To continue our tradition of organizing events annually.
- To improve event organizing and management skills among the prospering youths.

## **Awards & Prize:**

- Winner will be awarded Medals
- Scholarship for 10 students from each category (50% - 100%) chosen as talents will be awarded.
- All participants will be awarded with certificates.
